Play: The Tempest

Performance Date: Sunday, August 30, 2009

Time: 6:30pm

Directions: Lion's Park is next to the Carbon County Arts Guild and Depot Gallery at the north end of Red Lodge. Come into Red Lodge on Hwy 212, which becomes Broadway in town. Turn west off Broadway onto 8th St., drive past the Carnegie Library, and you will see the Depot next to Lions Park, where the performance will be held. Parking is available around the park, and across the street in the IGA parking lot.

Concessions available at the Performance: there is an IGA grocery store across the street from Lions Park, and numerous eating establishments within walking distance on Broadway, but nothing actually in the Park, so BYO picnic.

Chairs and blankets: there are a few picnic tables, but for good visibility, it's best to bring your own seating and set it up as you prefer.

Additional area attractions: Good restaurants, coffee shops and an ice cream store on Broadway. The Depot Art Gallery is open until 5:00pm right next to Lions Park. Contact the Red Lodge Chamber of Commerce (446--1718)
